Heavenly Connection

At a certain day one person meets another person, suddenly something starts to happen. God in His Magnificence prepares the “momentum”, the time that words or simply an attitude takes place and a reaction will be produced by an action. Isn't that phenomenal? Some of this momentum has been expected for years and years, but all of a sudden God connects people, someone who will share with another one who will hear and accepts the wonderful plan of salvation by the Name of Jesus Christ.

Every single minute, in any part of the World there is a heavenly connection happening, someone is getting saved, touched by God, healed by His Power and their lives are being changed forever. What a wonderful experience it is to be used by God to connect people with Him! Let's see some episodes in the Bible of when Jesus met people in His journey.

And Jesus said to him, “Assuredly, I say to you, today you will be with Me in Paradise.”
